

2026 March SMART REPORT

In the month of March we did a thorough job of detail cleaning more of the blockfaces around the District. This high completion rate reflects our commitment to addressing and resolving issues related to detail cleaning and waste cleanup.

Overall, for the month of March, we were proficient in the number of trash can clean ups, on the surface and inside of the trash cans, with very well executed thorough detail cleaning. We saw a reduction in trash bags and cardboard pickups.
